When you don't have the

number of useful articles

happy home together.
That's too bad of "Wag"
spending almost all
my money here in it.
I hope you will like it.

I am sending thanks
for "Lucky first and"
also for "Promised"
photo of yourself in "The

much appreciate. I'd
like to have photos of
my three other children
but they're probably
none in due course
